

MARKETPLACE LEADERS FUEL THE GREAT COMMISSION IN MALAWI.

Our chief guest, Hon. Sam Kawale giving a speech.

One of the long-term goals for Life Ministry Malawi is to attain local financial sustainability to cover all our operations and ministry programs by the year 2030. That is why the IGNITE vision casting event was organized on July 14 and 15, 2023 at The Club Makokola in Mangochi district.

The IGNITE vision casting event brought together 18 marketplace leaders to challenge them to participate in helping to fulfill the Great Commission through their Leadership, Influence, Finances, and Expertise (L.I.F.E.). All these are important components in helping to fulfill the Great Commission.

Two government ministers Hon. Sam Kawale, Minister of Agriculture and Hon. Monica Chang'anamuno, Minister of Mining, were among the keynote speakers. They challenged fellow marketplace leaders at the event to take up the role of contributing their L.I.F.E. so that the gospel can be propagated more effectively in Malawi and beyond.

Members of the Life Ministry board helped guests to realize the possibilities of working with the ministry, which has been devoted to helping fulfill the Great Commission for over 44 years.

Mr. Gomezgeka Mkandawire and Mr. Pyoka Tembo were among the board members who spoke during the ceremony. Dr. Keith Dindi who is the Ignite Africa champion, Mr. Arnold Nzova from Kenya, and Mr. Takesure Makumbe from Zimbabwe were among the international speakers present. They provided insights and testimonies that challenged our guests.

The Ignite vision casting session was regarded successful since all attendees committed to involve their L.I.F.E.

Looking ahead, similar events will be held in Blantyre, Zomba, Lilongwe, and Mzuzu this year.

IGNITE Malawi will gather again next year to encourage more marketplace leaders to invest their L.I.F.E towards the fulfillment of the Great Commission.
